4th Annual Bow Wow Meow Luau adoption event!

Hula on over and opt to adopt!

Pawsitive Alliance hosts and organizes large-scale adoption events all over Washington State. Our 4th Annual **Bow Wow Meow Luau Adoption Event** on July 12th is a great way to have fun while saving lives. **More than 150 dogs and cats will be available for adoption and hoping to find their forever homes!** 119 animals were adopted in just four hours at the 2014 Bow Wow Meow Luau event. We want to beat that number this year!

Attendees will meet amazing dogs, puppies, cats, and kittens from 17 shelters and rescues all in one convenient location. Raffles, give-a-ways, and tons of family fun will be had by all on **Sunday, July 12th, from 10-2pm at Denny's Pet World in Kirkland.**

(Denny's Pet World is located at 12534 120th Ave NE, Kirkland, WA 98034. Directions and a map can be seen [here.](#))

Tandum (pictured above) may be attending Bow Wow Meow Luau with Wenatchee Valley

Humane Society (unless he finds his forever home before then.) Come and meet this happy guy and so many great animals like him!

Why adopt an animal at this event?

Adoption is the right choice! Plus, it's a fun time to meet your new best friend!

It's also convenient as 16 animal rescue organizations will be at this one venue with their adoptable dogs and cats in all shapes, sizes, breeds, and personalities. **Plus, the adoptable animals are spayed/neutered, up to date on vaccinations, temperament tested and ready to give you their love!** Trainers and pet food experts will be available to answer any questions you have about being a new pet parent; plus, you will conveniently find all the pet supplies you need at Denny's Pet World so you can start your new life together off on the right paw.

For more information about this event, and the shelters and rescues who are attending, visit our website at: <http://www.pawsitivealliance.org/bow-wow-meow-luau-adoption-event2.html>

Pawsitive Alliance's mission is to end the killing of adoptable dogs and cats in Washington by increasing adoptions, supporting spay and neuter programs, and improving pet retention.
