

Pawsitive Futures

Helping people help pets.

Hello!

I am a member of the fundraising committee at Pawsitive Alliance and am asking for your support with our upcoming auction fundraiser. Funds from the event will benefit Pawsitive Alliance whose mission is to end the killing of adoptable dogs and cats in Washington by increasing shelter adoptions, supporting programs for spaying and neutering, and providing educational resources and training to the public.

Pawsitive Futures will be held Saturday, March 6, at Theo Chocolate, in Fremont. This is Pawsitive Alliance's largest fundraiser of the year and this year's goal is to raise funds to support our dog and cat adoption events. Guests from around Puget Sound will come together for a fun evening to support this important program to help alleviate the number of dogs and cats waiting for homes in Washington's shelters.

Donations from local businesses such as yours enhance our silent auction, supporting our programs and services. Would you be willing to donate an item or a gift certificate to our auction? This is a great opportunity to help the animals, and it creates a great marketing opportunity by getting your business's brochures, business cards and merchandise displayed in front of local Puget Sound bidders.

If you are able to donate an item for our upcoming auction, please complete the enclosed procurement form and return it to us, keeping a copy for your records. We would like to receive donations by February 17, if it is difficult to mail the donation please contact us so we can arrange to pick it up. Pawsitive Alliance is a 501(c)(3) organization and contributions are tax deductible to the full extent of the law.

All of us, including the dogs, cats and people in our communities that will benefit from your generosity thank you in advance for your generous support. If you have any questions please contact me directly. If you would like to attend the auction please email board member Yolanda, yolanda@pawsitivealliance.org for details, we'd love to see you there.

Thank you for your support,

Denise Melton
